Makkah For Plasic

We are Makkah Plastic Company, based in Egypt, manufacturing P.V.C. We are pleased to offer you our long lace table cloth. Here is a brief introduction to our company: We have implemented an integrated management and industry system, conforming to international standards, including ISO 14001-2015, ISO 9001-2015, and OSHA's 18001-2007. This guide outlines the ownership structure, regulations, procedures, and production stages.

Our company was established in 2013, with an invested capital to produce plastic rolls for the Egyptian, Arab, and international markets. We continuously work hard to develop and increase production to meet market needs.
